Sherpa Kids Wicklow ETNS

Join us and let the adventure begin!

Get ready for an extraordinary new after-school club experience at **Wicklow ETNS** starting this October 2023! We are thrilled to introduce your very own fun packed Sherpa after school service, designed to provide the utmost convenience for you and endless enjoyment for your child. Our programmes deliver an innovative approach to school age childcare on site at your child's school. This means that your child is with their peers and in familiar surroundings, giving you the peace of mind that comes with having no pick-up or drop off to worry about during your working day. Your child is our Sherpa Kid and our care for them is guided by 3 main principles which are at the core of everything we do: their safety, their well-being & opportunities to have lots and lots of fun!
